

The word 'Ombra' directly translates as shadow, however in Venetian dialect it relates to having a quick drink or taste. Historically this dates back to when the wine merchants in the market squares of Venice followed the shadow cast by the church spire in order to keep their product from spoiling.

The following selection offers a number of beverages in an 'Ombra' size that is aimed at encouraging the exploration of our products. Our full list is also available to enjoy at home at 40% off the listed price.

Salute!
